

Dear colleagues,

The proposal deadline for the [International Association for Statistical Education \(IASE\) 2023](#) satellite conference is quickly approaching. If you'd like to share work related to the conference theme "*Fostering Learning of Statistics and Data Science*", please submit your proposal **by January 30, 2023: [PROPOSAL FORM LINK](#) ([https://bit.ly/IASE\\_IASC\\_2023\\_ProposalForm](https://bit.ly/IASE_IASC_2023_ProposalForm))**

IASE 2023, the 13<sup>th</sup> IASE Satellite Conference, is a \*hybrid\* conference that will take place at the University of Toronto in Toronto, Canada (and online) from July 11-13, 2023 ahead of the [ISI World Statistics Congress](#) which is taking place in Ottawa, Canada the following week. Please visit the conference website (<https://iase2023satellite.github.io/>) for more information and share this message with anyone you think may be interested in participating in this conference.

Sincerely,

Bethany White (on behalf of the IASE 2023 International Program Committee)
