Appendix 1: Roundtable Participants

Curricular Development in Statistics Education
International Association for Statistical Education (IASE) 2004 Roundtable

Lund Institute of Technology at Lund University in

Participants

Arthur Bakker
Freudenthal Institute, Utrecht University
The Netherlands
arthur@fi.uu.nl

Carmen Batanero
University of Granada
Spain
batanero@ugr.es

Andy Begg
University of Auckland
New Zealand
begg@math.auckland.ac.nz

Carol Blumberg
Winona State University
USA
cblumberg@winona.edu

Nick Broers
Maastricht University
The Netherlands
nick.broers@stat.unimaas.nl

Gail Burrill
Michigan State University
USA
burrill@msu.edu

Rosemary Callingham
University of New England
Australia
rcalling@pobox.une.edu.au

Mike Camden
Statistics New Zealand
m.camden@clear.net.nz

Beth Chance
California Polytechnic State University
USA
BChance@calpoly.edu

Tim Erickson
Epistemological Engineering
USA
Tim@eeps.com

William Finzer
KCP Technologies
USA
bfinzer@keypress.com

Jean-Claude Girard
Institut Universitaire de Formation des Maîtres, L'Academie de Lyon France
jean-claude.girard@lyon.iufm.fr

Rob Gould
University of California at Los Angeles
USA
rgould@stat.ucla.edu

Anthony Harradine,
Noel Baker Centre for School Mathematics
Australia
AHarradine@pac.edu.au

Jun Li
East China Normal University
China
cn_sg@hotmail.com

Helen MacGillivray
University of Technology
Queensland, Australia.
h.macgillivray@qut.edu.au
