When?

National Competitions

- Posters sent to ISLP country coordinators depending on the country.
- National winners by 20 April 2025

International Competition

- Winners to be announced at the 65th World Statistics Congress of the ISI in The Hague July 13, 2025 - July 17, 2025

Poster or Research Poster

- The topic of the competition is free. The work should be based on the use, analysis and interpretation of statistics. When planning posters, it is important to keep in mind the judging rules of the ISLP Poster Competition.
- The data used can be collected by the students or previously published by a reliable source (if the data are published, the source must be cited in the poster).
- Posters can be made in the students' own language (with a translation into English attached) or in English.
- Posters must not contain information about students or schools of who has submitted them (the information is provided in a separate attachment to ensure equal treatment).
- Posters from previous international competitions are not allowed.
- Posters must be the original design and created by the students.
- Posters must be two-dimensional (single sheet) and one-sided: the maximum size is A1 (841mm x 594 mm or 33.1 in x 23.4 in) and the maximum file size is 10 MB. For electronic posters, the font size should be such that if printed in A1, it would be readable from 2 metres (7 feet) away.
- All posters become the property of ISI and will not be returned.
- Posters received after the stated deadline will not be considered for the competition
- By submitting a poster, students give permission for their work to be displayed at ISI Conference special events, in publications and promotional material, and in electronic format on the Internet.
