

Statistical Literacy Project

Poster competition

2026-2027

Participants

- Teams of 1-5 students
- 4 categories:
 - A-Primary: Students aged 9 to 12
 - B-Lower secondary: Students aged 13 to 15
 - C-Upper secondary: Students aged 16 to 18
 - D-Tertiary and/or University: Students over 18 years of age (who are currently studying, students with an undergraduate or postgraduate thesis not allowed)
- Students can choose the theme of their poster
- Free registration
- Registration period from February 1, 2026 to March 14, 2027
- Submission deadline: 14th of March, 2027. Posters submitted after this date will not be accepted.

Why make a poster?

- It is an interesting way to work as a team
- Investigate real questions using real data
- Use your math and graphing skills, and skills on the subject matter
- Interpret statistical results
- Develop your written communication skills

Awards

- National and international awards will be announced. For more information on Competitor websites, see: <https://iase-web.org/islp-competitions>
