

3rd Conference

**International Day of
Statistical Literacy (IDSL 2026)**

Call for Lightning Talks

by early career academics and professionals

*It is time to share and spread your work
in the area of Statistical Literacy in 4-5 minutes
to participants from around the world.*

Certificates will be awarded to the 1st, 2nd position,
honorable mentions, and all presenters.

Important Note: All lightning talks will need to be in the English language.
